

Castle Park Primary School Weekly Newsletter

Friday 12th September

What's been happening?

Y6 have new doors! These doors mean that our newly refurbished Y6 classroom has the opportunity for seamless indoor and outdoor learning. It's so exciting to see our school environment developing to support our children to get the very best out of every school day.

Year 3 thoroughly enjoyed their first rugby session this week. They practised skills such as: passing, side stepping, jumping in the line out and following a player. We are looking forward to our next session!

What's coming up?

Beech Class (Y3) will be participating in a project called Food Stories. Through hands-on food exploration, cooking, traditional Welsh storytelling and creative classroom activities, the programme aims to foster positive relationships with food, encourage curiosity and confidence around school meals, inspiring healthier habits at school and at home. We will also receive £300 of cookery equipment so that children can continue to cook at school as part of our curriculum. **Parents of children in Beech Class (Y3) are warmly invited to come to school at 2.45 on Thursday 18th to taste their children's cookery!**

We look forward to seeing you all at Open Classrooms next Friday 19th 9- 10am.

We Need You!

We have been delighted to have received some fantastic offers of help and support with our library move. If you can spare an hour or two, we still need your help! Please let the office know you are able to help and we'll get you booked in!

Are you a painter and decorator? Do you work for an organisation that support volunteer days for teams? Would you be willing to help us paint some classroom walls on a Saturday? We will provide the paint and the pizza! Please let us know if you're able to help.
