Aneurin Bevan
University Health Board

Dental Access Portal

Do you want access to a routine
NHS dental appointment?

If so, and you are

- 16 or over (parents/guardians can apply for under 16s)
- Live at an address in Wales for more than six months of the year or attend a Welsh GP practice and
- Have not received routine NHS dental treatment in the last four years

please register your details to the Dental Access Portal

<https://dhcw.nhs.wales/product-directory/our-digital-services/dental-access-portal/>

Or by scanning the QR code will take you to the Health Board website where you can then access the Dental Access Portal

You may have to wait for an appointment but please be assured you will be contacted when a dental practice has capacity to arrange a routine appointment

In the meantime if you are experiencing dental pain, please contact the Dental Helpline on 01633 744387
